

# Program Fees September 2016 to June 2017

(All rates include 13% HST - # 102 351 285)

To our valued clients:

**Please note:** You have reserved a spot in a limited ratio class until June 2013. Since our coaches are paid regardless of the number of children that are present, we cannot refund or credit absenteeism.

However, in all fairness, we offer the following terms:

1. There are no regularly scheduled classes during the Christmas and March Breaks. These weeks are not included in the fees.
2. Should you cancel a program, written notification must be received by our office. There will be a cancellation fee of one month's payment. Refunds will be calculated as of the date that our office receives written notification. This does not necessarily mean the last class attended. There will be no refunds after Feb. 1st.
3. The Club reserves the right to hold extra classes, at a time convenient to its regular operation, to offer as make-up classes.
4. A make-up class will be offered for an individually missed class at another time subject to availability.
5. Individually missed classes cannot be totaled up for credit at the end of the year.
6. NSF cheques are subject to a \$20.00 service charge.
7. The Club will be closed on all Statutory Holidays.
8. The Club is not responsible for closures due to bad weather. Attendance during bad weather is at the parent's discretion.
9. The Club is not responsible for any lost or missing articles. Attendance is at the participant's own risk.

## FAMILY RATES

First Child – Regular Rate 😊 Second Child – 10% Discount 😊 Additional Children – 15% Discount
